Mike's Moment...

It has been a **great summer** for First Kenner as we've endeavored to fulfill our mission of making disciples. Through **VBS, mission trip, camps, and neighborhood outreach**, we've been **CONNECTING** with non-Christians, **GROWING** people in their walk with Jesus, and **SERVING** in numerous ways. **Thanks** to all of you who have worked so hard in obedience to the Great Commission, and thanks to all of you who gave to send people to camps and mission trips. What we've seen is the **church working together** in many ways for our common purpose.

Now I want you to be geared up for the new church year which begins in September. We'll be offering tons of opportunities for you to **CONNECT**, **GROW**, and **SERVE**. In fact, during the month of August, I'll be sharing how every member of First Kenner can be involved in our mission. **Please don't miss a Sunday in August**, as you won't want to miss any of the **ONE project, which kicks off August 8**. What is ONE? Well, you'll have to be here to see. So, begin praying now. Commit to be present. And be open to how God might work in your life.

New Hampshire Mission Trip Report

Praise Him!!

27 of us went July 10-18 to minister alongside our brothers and sisters in that very unchurched state. What did we do? Evangelism, construction, VBS, manual labor, ESL & literature distribution for a new church.

This was a tremendously diverse and successful mission trip. Stay tuned for more opportunities for you and your family to **CONNECT, GROW and SERVE** on the mission field.
