Financial Peace University

Isn't that an oxymoron? It doesn't have to be. With good Biblical principles and practical insight from Dave Ramsey, FPU can help you beat debt, build wealth, find bargains, invest for the future, and give like never before. Cost of materials and lifetime membership, \$99 family. Commitment level — relaxed.

Grasping God's Word

Hermeneutics 101. These sessions are intended to help serious students of the Word learn how to read, interpret, and apply the Bible. Through the abundant use of biblical examples and hands-on assignments, participants will be involved in the nitty-gritty of biblical interpretation. As you are guided through this process, you should plan on getting your hands dirty as you learn to dig deeper into God's Word. Textbook, \$26; optional workbook, \$13. Commitment level — high.

Experiencing God

The beloved study that begins with the premise: *God is at work around you. Will you join Him?* The truths of *Experiencing God* help awaken believers to a radically God-centered way of life by showing them how to know God intimately. Participants will be challenged to recognize, know, and do the will of God in their lives by joining Him where he is already at work. \$15. Commitment level — Moderately high.

Awestruck: A study of the book Psalms

Journey through the spectrum of emotions portrayed through the Psalms—passionate and honest, moving and convicting, transparent and complex. This study will help us focus on our relationship with God, ultimately leading us to worship. The beauty of the Psalms is that they unite both the psalmist and the reader to stand awestruck in God's presence. FREE! Bring your bible! Commitment level — relaxed.
