Making Disciples by Connecting...Growing...Serving

January 2011

Happy New Year, Church Family!

As you look to 2011, have you set any goals for yourself and your family? Exercise, perhaps? Eating less? Dropping a bad habit? How about spending more time in prayer, reading your Bible more, and generally deepening your walk with Jesus? Remember that **our mission as a church is to make disciples**. We do that by **CONNECTING** with people so they can know Jesus, **GROWING** in Christ through study and application of His Word, and **SERVING** our church, community and world. So this year, let's all resolve to redouble our efforts to make disciples. Let's make sure we're connecting, growing and serving. And it all starts with our own walk with Jesus. **Your church staff is praying that this year you will experience the joy of Christ like never before.** Let us know how we can help.

Would you like to know more about the Bible?

Have you tried reading it, but you get bogged down, not really understanding the big picture and how it all fits together? Does the Bible just seem like an ancient book with little connection to our life? The reality is the Bible is not like any other book on the planet. It actually contains 66 books, written by about 40 human authors over a period of about 1,600 years. And even though it's the **bestselling book of all time**, studies show us that most people – most Christians even – hardly ever read it.

If you're interested in the Bible and would like to know it better, the new sermon series beginning January 2 will benefit you tremendously.

"Route 66: God's Road Map through Life" will be a unique approach. Beginning in Genesis, we will examine one book of the Bible each week until we get to Revelation. In addition, we will provide a weekly insert for a 5x8 three-ring binger so that at the end of the series, you can own a handy Bible survey with an introduction to every book of the Bible (we will provide binders for \$3 each). **Our purpose is to further equip you to GROW in Christ so that you might SERVE Him more faithfully.**

Get ready to take a fascinating journey through God's Word. And be sure and invite a friend to come and learn with you.

Connecting, Growing and Serving... Those three words define our mission at FBCK. On Sunday nights, beginning January 16th, you can choose one of three tracks to help you grow as a Great Commission Christian. You can find more info at www.fbckenner.org or at our welcome centers.

Note to all hunters, fishermen, sportsmen...

We need wild game and fish for the Sportsman Banquet this spring.
