August 29th was a big day for **First Baptist Church**. Over 150 people made either a **first time** or a **brand new commitment to the Great Commission**. Are you one of them? At First Baptist Church, **our mission is to make disciples**, so the expectation is that all members will be committed to that mission. If you've not done so already, will you commit to do the following:

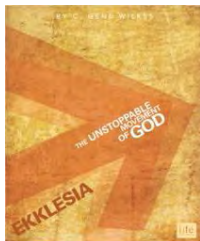

- **CONNECT** with **ONE person** by praying for and inviting that person to church over the next 12 months;
- **GROW** by committing to **ONE Bible study**; and
- **SERVE** in at least **ONE area of ministry** at First Baptist Church of Kenner

If we will all work together, we will accomplish the mission and reach our community for Jesus Christ.

## Senior Spotlight...

# Savannah Barlow

### 1. Full name

Savannah Jean Barlow

### 2. Plans after high school

I plan to go to college, but I don't know where yet and I plan to have some kind of job eventually, but I don't know what yet.

### 3. Favorite food

I have a lot of favorites, but I would have to say it's between frozen egg-rolls and spaghetti.

### 4. Favorite story about your youth pastor

My favorite Dirk story is when he used to sing Backstreet Boys' songs to get girls in high school!!!! And the time he accidentally dyed his hair pink instead of red!

### 5. Favorite Scripture

My favorite Scripture verse is Isaiah 40:8, "The grass withers and the flowers fall, but the Word of our God stands forever."

### 6. One thing you want others to know about you that they may not know

Something people may not know about me is that I have a very strong dislike for/fear of Paula Dean. When I see her face on magazines in the store I have to turn them around or hide them.

### 7. Who has influenced you the most in life?

My parents have influenced me the most in my life. They have both stood as strong Christian examples to me and taught me the unbelievable power of prayer. They've always been there for me and I'm so lucky to have them.

### 8. 3 places you would like to visit and why

Hmmm. I would like to visit Germany because I love the way they talk over there and I want to visit Greece because it seems beautiful and I love their food and I want to go to Italy because I can't die without tasting real Italian pizza.
